Typically, insurance does not cover the cost of repair or does not exceed the deductible.

The Damage Waiver limits your responsibility for cost of repairs, as well as eliminating your liability for the rental amount normally charged during the period in which the equipment is repaired. There are limitations to the Damage Waiver coverage which are clearly listed on the Rental Contract.

TIRE PROTECTION The Damage Waiver includes protection for your tires. For every tire puncture occurrence, the first \$50 of the puncture is covered under the Damage Waiver

Customer is financially responsible for uncovered repairs. All insurance claims need to be submitted within 30 days of invoice
